Respiratory System: “Why Do I...?” Project Due Date \_\_\_\_\_

*Your respiratory system is made up of the organs in your body that help you to breathe. Remember, that Respiration = Breathing. The goal of breathing is to deliver oxygen to the body and to take away carbon dioxide. Your respiratory system also has a few funny quirks. For this project, you will learn about a few of the funny things your body can do and why. You will then share this information in your choice of one of the following formats:*

- *A comic book*
- *A children’s story book*

1. You must include a description of how the respiratory system works (the flow of air) and its basic parts. You may include diagrams.
2. Please also choose **three** of the following questions to answer and explain in your project:
  - ❖ Why do I yawn?
  - ❖ Why do I sneeze?
  - ❖ Why do I cough?
  - ❖ Why do I snore?
  - ❖ What causes hiccups?
  - ❖ Why does my nose run?

**Have fun!! Be creative and colorful!!!! Computer graphics are allowed. Plagiarism is not!!!!**
